

FOR IMMEDIATE RELEASE

## **Jones Family Statement**

We want to express our deepest appreciation to our friends and the community for all of the thoughts, prayers and acts of kindness on our family's behalf. Your love has greatly strengthened us during this very trying time. Our focus moving forward is to help Tyler and Brenda's children endure this tragedy and provide them with the support and love to lead a normal childhood and continue to work toward their dreams and ambitions.

In response to requests, a memorial fund has been set up at First American Bank in the name of "Tyler and Brenda Jones Memorial Fund."
